There is no objection to show the transactions relating to the Vani Vilas Hospital under a separate head with necessary details in classification instead of clubbing them under "District Hospitals," and the contribution payable by the District Funds separately under it as proposed by the Senior Surgeon. As it is however now too late to give effect to this arrangement, it may be brought into effect in the budget of next year i.e., for 1922-23.

REVENUE & JUDICIAL SECRETARIAT. L.1409 5 - SEP 1921 LOCAL SELF GOVT: BRANCH.

To,

Ramaswamiya Esquire, C.I.E.,
Revenue Secretary to Government,
BANGALORE.

Sir,

With reference to General Budget Estimates for 1921-22, I see that the Maternities at Bangalore and Robertsonpet are shown individually under a separate head while the Maternity at Mysore (Vani Vilas Hospital) is included under VIII District Hospitals. The charges of the Maternity at Bangalore are entirely met from State Funds and those of Robertsonpet from State and Sanitary Board budget in the proportion of twothirds and one-third, while those of Vani Vilas Hospital from State and District Funds budgets in the proportion of two-thirds and one-third. As the inclusion of the Vani Vilas Hospital under District Hospitals leads to confusion, I request that necessary orders of Govern-ment may kindly be obtained for showing Vani Vilas Hospital under a separate head in the General Budget Estimates, as is done in the case of the Maternities at Bangalore and Robertsonpet, the District Fund-share being treated as contribution to be credited to "Medical". ---

Another point, I like to lay before Government is, that the District Hospitals in the State are badly in need of bedding and clothing. Since there is no separate head as Bedding & Clothing in the General budget estimate under VIII District Hospital, there is no way to meet this want. Until now, it was being managed with the small grant sanctioned under "Other charges", the additional amount found to be necessary being met from Diet and Hospital necessaries year after year. As it is not possible to run the hospitals without a proper supply of bedding and clothing, I request that a sum of Rs.3000/- may be kindly sanctioned for this purpose for the current year out of the
